

The Sharp Reflections GATHERing, Galveston November 6-7, 2019

Registration Now Open!

We're pleased to announce that this year's US GATHERing will be held in the historic city of Galveston, TX!

The GATHERing has become an annual event that brings together Pre-Stack Pro users from the US. This year's meeting is especially important, as we conclude the Foundation Project IV consortium and look ahead to a new phase of development.

The GATHERing is a place of learning, a chance to network, share experiences, build software skills and have fun. Our theme is "Educate, Experience and Engage!"
